FOUNDING 50

Want to be our first *spotlight?*

Each week we would like to *celebrate one of you* with the whole family. Your work deserves to be seen.

If you would like to be featured

1. **Reply Yes in the group**
   That is all we need to start. Nothing is shared without your say-so.
2. **Send one photo of your work**
   Your best one. Clear and well lit.
3. **Tell us two things**
   What you specialise in, and the area you work in. One short line about why you joined.

> We will show you exactly what we plan to share **before** it goes out, and you decide if it is ready.

Featured artists also help the next artist see what Bonisa is about. **Be the face of the Founding 50.**
