BONISA · SHOW ME GIRLS

Be a Show Me Girl

Sbonga, we would love to have you.

WHAT THIS IS

Bonisa is South Africa's verified network for beauty artists. Show Me Girls are the women who show it off. You arrive with a bare face, no makeup, no hair done, no nails. Our verified artists do your makeup, hair and nails, and we film the transformation from start to finish.

WHAT YOU WOULD DO

1. **Say yes.** Reply to this message and we lock in a date together.
2. **Make your Bonisa account.** Sign up as a Client. It takes two minutes.
3. **Meet your artists.** A makeup artist, a hair stylist and a nail tech, all checked and verified by Bonisa. If you already have artists you love, you can invite them.
4. **Arrive bare.** No makeup, no styled hair, no nails. That is your "before".
5. **The transformation.** Your artists work while we film. You see the full "after" at the end.

WHAT WE FILM

Your before and after, and the process in between. We agree together how the content is used before anything is posted.
