A NOTE FROM BONISA

Thank you, *Merveille.*

Thank you again for taking the time to talk with us and for answering our questions. They helped us shape Bonisa around real artists like you.

Your experience with bridal and events work is exactly the kind of artist we want among our first, and your thoughts on safety and on keeping your own way of working have shaped what we are building.

Attached on the next page is a one-page checklist of what to have ready, so that when Bonisa opens you can go live within days. The artists who are ready first are the first clients will see. Take your time, and tell us if anything is unclear.

> On your ID: as we agreed, you can leave that for now. We will ask you to add it closer to the time.

FOUNDING ARTISTS

Get ready in *15 minutes.*

Have these seven things ready before we open. Artists who are ready first go live in days, and are the first clients will see.

- [ ] **Your South African ID**
  Your ID number, and a clear photo of the ID (all four corners visible). Only Bonisa sees it.
  Can wait. We agreed you will add it closer to the time.
- [ ] **Five of your best photos**
  Your own work, well lit, in focus. A mix of looks shows your range. Clients choose you by these.
- [ ] **Your services and prices**
  Each service with its name, price and how long it takes. For example: Bridal makeup, R1 500, 2 hours.
- [ ] **The days and times you work**
  So clients only see times you can really do.
- [ ] **A short bio**
  Two or three sentences: what you do, your style, how long you have been doing it.
- [ ] **Your area and how people reach you**
  The suburb or city you work in, and your Instagram handle if you have one.
- [ ] **Your bank details**
  So your money has somewhere to go when you are paid. Bank, account holder and account number.

What happens next: create your profile, submit it, and we check it within 2 to 3 days. We tell you either way, and exactly what to fix if anything needs changing.
