Bonisa

THE FOUNDING 50

Thank you for being here before we begin.

You believed in Bonisa when it was only an idea. We are taking our time to build it properly: South Africa's verified network for beauty artists, where your work, your reviews and your bookings live in one place.

Our goal: the first 50 artists **19 of 50 founding members so far**

How you can help us get to 50

1. **Share the invite** with anyone in your circle who would benefit: makeup artists, hairstylists, nail techs, lash and brow artists, barbers.
2. **Send us their name** and a WhatsApp number, and we will reach out ourselves and say you sent us.
3. **Tell us what you need.** Reply to us with one thing that would make Bonisa work for you.

What we are building for you

- Your own online booking page, with your times and prices
- Your reviews and your clients stay yours
- A verified badge that clients can trust
- Safety check-ins after your jobs
