Bonisa

YOU ARE INVITED

A verified home for beauty artists in South Africa.

A friend thought you would be a great fit for Bonisa. We are building our first 50 artists, and we would love you to be one of them.

For you

- Your own booking page
- Clients see your times and prices
- Fewer DMs, fewer double bookings
- Free to join

For your clients

- A verified badge they can trust
- Reviews that stay yours
- Easy online booking
- Safety check-ins after your jobs

How it works

1. Create your free profile (have your ID, a few photos of your work and your services ready).
2. We check it within 2 to 3 days and tell you either way.
3. Start taking bookings with a profile clients can trust.
