

Bonisa

FOR YOU, NOT THE GROUP

Today, *Thursday 29 October.*

Day 3 of the Founding 50 plan. **One big thing today**, then a few small ones.

The big one

- [ ] **Post the Day 3 nudge in the Founding 50 group**
  Send the PDF 01_Thu_29_Oct_Day3_Nudge. Best time is the evening, 6 to 8 pm. The message is already inside it.

If not done yet

- [ ] **Finish Lebogang's services with her**
  The 2 pm call from yesterday. Take the Finishing Your Profile guide with you.
- [ ] **Finish Anna's profile with her**
  The 4 pm call from yesterday. Finalise only, verification comes later.

Small ones

- [ ] **Ask Hayden for a realistic opening month**
  You need it by Monday 16 November for the opening plan. Even a month is enough.
- [ ] **Answer replies in the group**
  Note anything people say would make Bonisa work for them. Send me the list and I will add it to the notes.
- [ ] **Tell me how many have joined the group**
  So I can keep the numbers right for the next update.

> **Coming up:** Monday 2 Nov, Get Ready note and checklist. Thursday 5 Nov, Where we are, honestly.
